## Playgroup

**Come along for some fun with the family. This supported Playgroup has fully trained staff who are there to support and help you with all those tricky question about parenting. There will also be an array of guest speaker coming to you about different topic throughout the term.**

**A play session will be set sup for your children. Activities will include painting, play dough, crafts and other fun games. Parents will be able to break away from the children to talk others as well as get advise about nutrition, healthy living, products in your supermarket and other fun stuff.**
